

Promote Your Event

Event Planning

If you are conducting a Public Event you may be required to complete an Event Management Application in accordance with the Blayney Shire Event Planning Guide. [Please visit our planning an event page for more information.](#)

General Promotion

To help promote your event, you should consider some of the following;

- Social Media - Create a Facebook event, post photos in the lead up to the event, do a paid advertisement (from as little as \$10)
- Put up posters and print fliers (check with businesses owners first)
- List your event on the Orange360 and VisitNSW websites through the [ATDW \(Australian Tourism Data Warehouse\)](#).
- Contact local newspaper, radio and TV channels and notify them of the event or send out a media release
