

Four Mile Creek Road: Swallow Creek Bridge

Status: Contract has been awarded, onsite works to commence in July 2024.

Estimated Completion Date: December 2024

Funding:

- \$1,424,900 – NSW Government Fixing Country Bridges Program
- \$250,000 - Blayney Shire Council
- \$1,674,900 - Total cost

Project Description: This project will involve the demolition of an existing 12.2m x 6.9m failing timber bridge with a non-structural concrete deck over [Swallow Creek on Four Mile Creek Road](#), and the construction of new concrete bridge on a different alignment. The new bridge will be a 21m single span bridge with a width of 9m. The existing bridge will remain in service until the new bridge and associated road works are completed to maintain access.
