

Community Consultation

The Your Say is where you can stay up to date with any projects which include community consultation.

You can also sign up to our monthly [Council Connect e-newsletter](#) which includes information on any current surveys or community engagement sessions.

Master Plan - Project Updates

Council has engaged Place Design Group to develop plans for both Millthorpe and Blayney CBDs that will invigorate and activate the village/town centres, ensuring they meet the needs of the local community, people who visit the village and local business'.
