

Reconnecting events branded a success

30 January 2024

Last week a series of art workshops were held at the Platform Arts Hub hosted by Sidetrack Arts. These workshops were the final events which were 100% funded under the Reconnecting Regional NSW Community Event Program (RRNSW).

This program announced by the NSW Government in March 2022 provided Blayney Shire Council with \$239,641 specifically to host a series of community events.
