Community Financial Assistance Program

Blayney Shire Council provides financial assistance for local community organisations in accordance with Policy 3I Community Financial Assistance. This Program enables Council and the community to work together to help make Blayney Shire a great place to live.

Application Timeframes

- Each year there are two rounds of funding open for applications.
- Applications are generally called for in late May and November.
- Applications are assessed by a committee.
- Recommendations from the committee are then put forward to Council at a Council Meeting (held monthly).
- Funds are released to successful applicants following endorsement by Council.
- At the conclusion of each project, applicants are required to complete an acquittal form, demonstrate acknowledgement of contribution by Council and provide photographs which Council can use.
- NOTE: Applications that are within the guidelines for waiver of Council fees or sporting related donations can be approved under General Manager discretion at any time.
