

Bulky Waste Collection

An annual kerbside Bulky Waste Clean-up is provided for all residents currently receiving a domestic waste and recycling collection service.

Bulky Waste is generally held around August each year, the exact date is to be confirmed by JR Richards.

This page will be updated once the date for 2024 has been confirmed.

You can sign up to our monthly [Council Connect e-newsletter](#) for reminders.

Bulky waste information

Blayney Shire Council is providing a **Bulky Waste Clean Up**. This will allow collection of larger items & will enable items suitable for recycling to be diverted from landfill thereby maximizing the life of this valuable resource.

Who is the service for?

All Blayney Shire Council domestic residences currently receiving a weekly waste and fortnightly recycling collection service.

When does it happen?

Collections will commence on the date on the front of this brochure. Please put your Bulky Waste out the weekend before.

Where do I put my bulky waste items?

All items are to be placed neatly next to the edge of the kerb and not blocking the footpath at your normal weekly collection point.

All waste must be separated into 4 separate piles

- ♻️ Scrap Metal and White Goods
- ♻️ General Bulky Waste
- ♻️ Bundled Organics
- ♻️ E-Waste

The above items will be collected in **SEPARATE pick-ups**. Please ensure items are placed on the kerb accordingly.

Loose items & organics must be tied securely with rope or string (not wire), into bundles or contained in sturdy boxes. Please secure all items to avoid windblown littering.

How much can I put out?

The total volume of waste presented for collection must not exceed 2 cubic metres.

Unacceptable items

✗ The following materials will **NOT** be collected:

- Materials that exceed the maximum dimensions of 2 cubic metres
- Asbestos, fibro and insulation batts
- Trade, industrial and shop waste
- Cement bags and sawdust
- Items in plastic bags
- Motor vehicles, engines, car parts and tyres
- Building and demolition materials, concrete, bricks, tiles, fencing, plumbing fixtures and panes of glass
- Large carpet rolls
- Gas bottles and fire extinguishers
- Hazardous waste such as paint, solvents, chemicals, cleaners, unwanted medicines and batteries
- Liquids of any sort including fuels and oils
- Material suitable for placement in your mobile garbage bins, including recyclable material, food scraps and household garbage
- Small machinery containing fuel or oil including oil heaters
- Large tree trunks and thorny bushes
- Soil and stones

The Contractor has the right to reject any material that they consider unacceptable.
