LIQUID TRADE WASTE

BUSINESS ACTIVITY CLASSIFICATION

The following table provides a list of specified business activities that may discharge liquid trade waste to the sewerage system. The table identifies the classification description for each activity. The corresponding form needs to be submitted with any application for discharge of liquid trade waste to the sewerage system approval.

Business activity

Please transfer the activity number and name to your application form. Classifications with an asterisk (*) may be exempt from having to apply for an approval – please use the exemption form.
