1	Library needs longer hours.	10/22/2013 9:27 AM
2	I commend Blayney Council for improving various services within the shire and a great improvement in public relations-Keep up the good work!	10/14/2013 12:19 PM
3	Why no N/A column, as on the form?	10/13/2013 5:58 PM
4	Good to see council proactively seeking the community's opinion. Well done.	10/10/2013 11:26 PM
5	Thank you for the opportunity to participate in this survey - my wife and I have relocated from the Sydney Metropolitan area to Millthorpe during 21012 and would be interested in contributing to the development of this beautiful location.	10/10/2013 8:58 PM
6	Very unhappy that Blayney Shire Council is going to slug the farming community with a huge rates increase. Farm rates are significantly higher in Blayney Shire than adjoining LGAs. Am completing this online as we didnt receive a survey. Other farmers in the area also did not receive a survey. We wouldn't know anything about this proposed increase if it wasn't in the Blayney paper and on ABC radio a couple of times. Very poor communication from Blayney Shire Council.	10/10/2013 8:13 PM
7	Blayney is a great town. Although i have rented here, now, for ten years, i feel part of the community. I can only see Blayney getting bigger and better.	10/10/2013 6:18 PM
8	Dear Councillors, Firstly I must apologise for writing but I'm legally blind and cannot see what I'm writing. I am very worried about the Neville Road. There is so much traffic on it now and a lot bigger ones. It is much ??which means if you meet a vehicle coming the opposite way you have to run off the road. Also most vehicles travel in the middle of the road. If there was a centre line it would at least show people where they are. I would also like you not to put the rates up as we find it hard enough to pay it as it is. Struggle to cope with this huge increase. Thank you for reading this and hope you take note of it.	10/10/2013 10:54 AM
9	Fair and equitable rating system for small towns within Shire, which takes into account services offered, as against services offered within Blayney township. E.g. Millthorpe Sewerage Scheme - levy paid by Millthorpe residents who use scheme - Fair. Blayney Community Centre - levy paid by all towns within Shire, for a facility predominantly used by Blayney township residents only. Fair and equitable?? Comment near Centrepont Sport and Leisure Centre - 'bathrooms a disgrace for years'. Comment near Helpful staff - 'some very unhelpful in past e.g. Mr P O'Brien.	10/10/2013 10:24 AM
10	Comment near Local Roads - Lack of centre road marking is a big problem in winter on Forest Reefs Road - section Orchard Road to Forest Reefs.	10/10/2013 10:10 AM
11	Council do not seem to think that public toilet facilities at sporting venues is important to the users in Blayney and the many users that come from other townships. Residents should not have to fight to get a toilet facility at a sporting venue for their child to use!	10/9/2013 9:24 PM
12	Two important issues to resolve in Millthorpe. 1. Reach agreement with business lessees at Millthorpe Railway Station to ensure public toilets remain open and well serviced. 2. Approve NBN tower development at the proposed (or more suitable) site in Millthorpe.	10/9/2013 4:19 PM
13	more space for comments at each question would be appropriate	10/9/2013 2:45 PM
14	* Comment near Street Trees 'native'.	10/9/2013 9:44 AM

Future Delivery of Services in Blayney Shire

15	I am enclosing the survey sheet to you and other than the format to be filled in I would like to request to Council that the finance committee look to more funding for the Blayney Library. I speak to many people on this subject including the Central West Libraries Manager, Jan Richards. I know your first statement will be the numbers of attendance show no reason we should outlay funds in that direction. How do you expect people to attend the library when it and its services are back in the 19th Century? In 2001 through to 2005 my wife and I visited a number of libraries from Warren in the West, Wagga Wagga in the South and Sydney in the East. We saw the greatest need to come into the 20th/21st Centuries was when we visited Crookwell library in 2001. The Crookwell Shire had just spent many, and I mean thousands of dollars to extend and update for years to come this building, and all its updates. And after talking to the Librarian she said it was out of date all ready after three years. Well I feel the Blayney Council is letting the young people of our district down in providing them with a library that is still back in the dark ages. Please come into the next century! I remain yours, B Bamgarten.	10/4/2013 12:08 PM
16	We need more shops.	10/4/2013 11:35 AM
17	Am very proud of my town blayney and find that on average the council do a reasonable job but improvements can always be made. some council workers need a big over hall, the main street pavements needs a good clean, more incentive for local business, more community get together and in general more pride in our town by the locals would go a long way. How we achieve this ?????	10/2/2013 7:25 PM
18	I have no garbage collection! I pay rates so I should have garbage collection.	10/1/2013 2:17 PM
19	It was difficult to give comment on a lot of the questions above because they appeared to be more related to Blayney itself rather than the entire Shire	10/1/2013 1:37 PM
20	Comment on Centrepont - pool must be heated. It is useless cold.	10/1/2013 11:50 AM
21	My property is in Mandurama. I live in QLD. As I don't live in the area I can't give an exact answer.	9/30/2013 11:59 AM
22	Need toilets at some Sports Fields.	9/27/2013 12:42 PM
23	I do not agree with the 15% increase in rates. As most aged pensioners will be forced to sell their homes and move into small rent units to live out their life.	9/26/2013 5:26 PM
24	Main Street, empty shops. I feel that a lot of old trees should be cut down, limbs picked up. Rubbish around parks and walkways could be more tidy e.g. IGA. Driving into town could be nicer.	9/26/2013 5:08 PM
25	No to 15% rate rise.	9/26/2013 4:58 PM
26	All these services are very important. How and when they are approached should be in the hands of Council staff and the elected Councillors. Explanation regarding animal and pest control: I have written to Council numerous times. I have spoken to Council staff and the Ranger all to no avail. I have had my next door neighbour's dogs in the hotel kitchen - dining room upstairs - in hall ways - with children screaming in my yard countless times. On Sunday last I had patrons seated in front of the hotel in designated area at lunch and dogs were running up and down the footpath jumping all over children trying to eat meals (they also urinated) on the footpath in front of my neighbour who considered this to be humorous.	9/26/2013 12:10 PM
27	I would like to see empty shops in Adelaide Street have a coat of paint (volunteers) and let out to artisans at a nominal rent to bring interest and tourism to the town.	9/26/2013 11:55 AM
28	Don't raise the rates by 15%	9/26/2013 11:04 AM
29	Forget this waste of money to beautify Neville streets put the money into fixing the roads properly between Blayney /Neville . some white lines would be of great value on foggy nights. The last work to improve the drainage on this road was excellent BUT in the wrong area .there are other areas that are so much more in need and very also very dangerous. I travel this road twice a day The men doing the pot holes do a good job with what they have but it needs a BIG upgrade Thank you for letting me whinge.	9/26/2013 10:30 AM
30	Thank You for Asking	9/25/2013 3:38 PM
31	happy to pay increased rates if councillors provide improved services to village areas. Concern roads in rural areas are causing cost increases to village residents. Get the balance right as to who subsidises what. Improve our villages for tourism and business not spend up on roads to one or two select farmers or councillors properties. can we have another survey in 12 months with questions on do you think your local councillor is achieving anything and should we be amalgamated with who eg bathurst, orange, cabonne, cowra. staff are doing a good job but the councillors are dragging thier feet.	9/25/2013 3:02 PM

Future Delivery of Services in Blayney Shire

32	Perhaps people on unemployment benefits could be required to spend 2 or 3 hours per week picking up litter on the footpaths and nature strips thrown into plants growing in gardens bordering the footpaths. I know there's a truck which sweeps the gutters, but apart from all the leaves in Autumn, most of the litter is on the footpaths and nature strips. I never go to the bank, post office or IGA without picking up rubbish - cans, bottles, sweet papers, take-away drink mugs, cigarette packets and such like and throwing them into litter bins. Aren't young people taught by their parents anymore to 'put rubbish in the litter bins, or bring it home'? I can't understand why people, living in an attractive town like Blayney, would even consider dropping litter in the streets.	9/25/2013 1:09 PM
33	We are very anti windfarm and industrial turbines. They are ineffective, inefficient and visually polluting.	9/25/2013 1:02 PM
34	As with some other areas of Local Government I feel that there should be more activities for older people to keep fit e.g. walking groups, mature swim groups.	9/25/2013 12:51 PM
35	The proposed rate rise is completely unacceptable, both for those in the same situation as me and for struggling residents. It is a negative move.	9/25/2013 12:33 PM
36	We believe that the street-scape could be greatly improved. Perhaps something similar to Boorowa's street beautification.	9/25/2013 12:22 PM
