HELPING THE ENVIRONMENT
REDUCING LANDFILL

How does it work?

Recycle, Swap, Go is an initiative of Blayney Shire Council. Recycle, Swap, Go has been designed to make recycling for Blayney Shire residents even easier by streamlining the recycling process and allowing surplus recyclable material to be moved on.

Simply fill any old 240L wheelie bin that you have (ensure the bin is not part of the current J R Richards kerbside collection) with recyclable materials, deliver it to the Blayney Waste Facility, and you will be given another old 240L bin to fill again.

The program is for recyclable material only. Bins returned containing any general waste will be charged at the applicable cost.

What you need to know

Recycling bins provided through the Recycle, Swap, Go program will not be picked up as part of the domestic kerbside collection service.

Recycle, Swap, Go bins must be returned to the Blayney Waste Facility and exchanged for another Recycle, Swap, Go marked bin.

Do not Recycle, Swap, Go your kerbside yellow lidded recycling bin. These bins are serial coded and identified by Council's waste collection contractor.

The Recycle, Swap, Go initiative does not replace existing recycling services.
