### What we've achieved in 2024/25

### **Community Strategic Plan**

In May 2025, Council endorsed the Blayney Shire Community Strategic Plan 2025 – 2035. This was endorsed following community engagement from November to April with a series of drop-in sessions. community surveys and public exhibition period.

The CSP has five key themes in which the community priorities and strategies are developed to address the needs of the community.

- ► **Leadership:** Prioritise transparency, financial sustainability and strong partnerships with and for our community
- ▶ Community: A connected, healthy and inclusive community
- ▶ Infrastructure: Infrastructure is resilient, fit for purpose and maintained to support our community
- **Economy:** A diverse, vibrant and sustainable economy
- ▶ Natural & Built Environment: Protecting our assets for future generations

### Millthorpe CBD

The Millthorpe CBD underwent an upgrade to enhance safety, accessibility, and amenity while preserving the village's heritage charm. This project delivered key infrastructure upgrades, improvement to stormwater management, and created a more pedestrian-friendly environment. The pedestrian friendly environment included the installation of pram ramps and blister crossings and reinstatement of bluestone kerb repairs. This project was stage 1 of Millthorpe Village Centre MasterPlan with future stages seeking appropriate funding sources.

### **Road Upgrades and Works**

### Road/Bridge Upgrades and Heavy **Patching**

- Blayney Renewal of Orange Road footpath from Binstead St to Palmer St

### **Funding Programs**

Council provided almost \$111k of funding to community groups through the Community Financial Assistance Program. Some of the highlights for this financial year include:

- ► Kitchen upgrade at Sunny Ridge Golf Club
- ► Lyndhurst Golf Club Facility Improvements
- ▶ Blayney Netball Padding and Scoring Device
- ▶ Newbridge Solstice Banners
- ► Dishwasher at Millthorpe CWA
- ▶ Dishwasher at Lyndhurst Soldiers Memorial Hall
- ▶ Banners for Millthorpe Markets
- Painting at Tallwood Hall

This program also provides annual recurrent funding for specific outgoings, including Council rates and charges, insurances, school activities, or the holding of a regular community event or cultural activity.

Council also provided \$10k of funding through the Tourism Development Program to:

- Blayney Show
- ▶ Falling for Blayney FOOD Week Event
- ► Lyndhurst Country Community Fair
- ► Newbridge Winter Solstice
- River Yarn Fibre Festival

## **Trainees, Cadet and Apprentice Positions**

Council was approved for funding in 2025/26 from the NSW Government to directly employ four new positions aimed at school leavers. These positions allow employees to get on the job training whilst gaining formal qualifications.

Blayney Shire Council is benefiting from the NSW Government's \$252.2 million investment, which is creating 1,300 new roles in local government across the state. The program addresses workforce shortages and skills gaps by funding 100% of wages for new apprentices, trainees, and cadets in high-demand fields. It also supports young people to train and build careers locally, strengthening community and workforce sustainability.

These positions are a mix of indoor and outdoor staff with applications open now and closing mid-August.

## What is Operating Expenditure vs Capital Expenditure?

Operating expenditure (OPEX) refers to the recurrent or day-to-day costs of running council services, such as contractors, materials, employment costs, contributions to other levels of government and other organisations, insurance, utility bills, depreciation and administration.

Capital expenditure (CAPEX) involves spending on assets that provide long-term benefits, like building roads, upgrading parks and buildings, or purchasing plant and equipment.

While OPEX keeps services running, CAPEX invests in assets, infrastructure and facilities that support the community over time.
