### INTRODUCTION

Blayney Shire Council has adopted this Agency Information Guide (Guide) in accordance with section 20 of the Government Information (Public Access) Act (GIPA Act).

It also describes the various types of information held by Council, how that information can be accessed and how members of the public can participate in Council's decision-making processes.

### OVERVIEW

Blayney Shire Council is constituted under the Local Government Act and was proclaimed in August 1978.

The Council is an undivided area, with seven (7) Councillors. The Mayor and Deputy Mayor are elected for a 2 year term by the Councillors from among their numbers.

The roles of the Councillors, as members of the elected body are:

## HOW COUNCIL FUNCTIONS AFFECT MEMBERS OF THE PUBLIC

As a service organisation, the majority of the activities of Blayney Shire Council have an impact on the public. The following is an outline of how the broad functions of Council affect the public.

*Service functions* affect the public as Council provides services and facilities to the public. These include provision of human services such as libraries, halls and community centres, recreation facilities, infrastructure and the removal of garbage.

*Regulatory functions* place restrictions on developments and buildings to ensure that they meet certain requirements affecting the amenity of the community and not endanger the lives and safety of any person. Members of the public must be aware of, and comply with, such regulations.

*Ancillary functions* affect only some members of the public. These functions include, for example, the resumption of land or the power for Council to enter onto a person's land. In these circumstances, only the owner of the property would be affected.

*Revenue functions* affect the public directly in that revenue from rates and other charges paid by the public is used to fund services and facilities provided to the community.

*Administrative functions* do not necessarily affect the public directly but have an indirect impact on the community through the efficiency and effectiveness of the service provided.

*Enforcement functions* only affect those members of the public who are in breach of certain legislation. This includes matters such as the non-payment of rates and charges and unregistered dogs.

*Community planning and development functions* affect areas such as cultural development, social planning and involves:

- Advocating and planning for the needs of our community. This includes initiating partnerships; participating on regional, State or Commonwealth working parties; and preparation and implementation of the Community Plan.
- Providing support to community and sporting organisations through provision of grants, training and information.
- Facilitating opportunities for people to participate in the life of the community through the conduct of a range of community events such as Australia Day Awards and Youth Week, as well as promoting events of others.

## HOW MEMBERS OF THE PUBLIC CAN PARTICIPATE IN COUNCIL'S POLICY DEVELOPMENT AND THE EXERCISE OF FUNCTIONS

There are a number of avenues available to members of the public to enable participation in policy development and the general activities of Council. These avenues can be broken down into two categories, namely:

- representation;
- personal participation.

### 1. REPRESENTATION

#### Local Democracy

Councils in New South Wales are elected every four years. The next election for Blayney Shire is scheduled for 14 September 2024.

At each election for Blayney Shire Council, voters elect seven Councillors for a four-year term. The Mayor is elected for a 2 year term by the Councillors from among their numbers. All residents of the area who are on the electoral roll are eligible to vote. Property owners who live outside of the area and rate paying lessees can also vote but must register their intention to vote on the non-residential roll. Voting is compulsory.

#### Making Representations to Councillors

Residents are able to raise issues with, and make representations to, the elected Councillors. The Councillors, if they agree with the issue or representation, may pursue the matter on the resident's behalf thus allowing members of the public to influence the development of policy.

#### Appointments with Mayor

After speaking to Councillors and/or appropriate staff, members of the public may make an appointment with the Mayor to discuss issues that require further attention.

### 2. PERSONAL PARTICIPATION

#### Open Council Meetings

Blayney Shire Council meets regularly at Ordinary Council meetings to discuss local issues and make decisions on behalf of the community. All meetings of Council are open to the public and residents are welcome to attend, unless closed for specific reasons under the *Local Government Act*. Meetings are also [streamed](#) from Council's website for viewing by members of the public and residents. Ordinary [Council meeting](#) dates for the forthcoming year are determined by Council each year and are usually held on the third Tuesday of the month.

#### Public Address to Council

Members of the public are able to attend [Council meetings](#) (third Tuesday of each month – except June and August when meetings are the fourth Tuesday of the month) in the Blayney Shire Community Centre - Council Chamber, 41 Church Street, Blayney.

The opportunity is offered to interested persons to address Council prior to meetings on any matters that are within its jurisdiction. A [Public Forum Speaker Request Form](#) must be completed and lodged before scheduled deadline of 4.00pm on the day of the Council meeting. Forms are available from Council's website: <https://www.blayney.nsw.gov.au/council/council-meetings/public-speaker-request>

### Section 355 Committees

Members of the public interested in being involved with any community committee should contact Council in the first instance to enquire of any vacancies.
