Lost and Found Animals

Council maintains a register for lost and found animals in the Shire.

To search for your pet you can:

contact Council to see if your lost animal is at the Council pound. If your animal is lost, claim it as soon as possible.

- if not found, register your details with Council
- check with animal shelters daily
- contact RSPCA and local vets
- check our Facebook page daily

Reporting a lost pet

If you have lost your pet, contact Council and provide this information:

- your name and contact details
- your pet's name
- a description of your pet
- your pet's microchip number (if applicable)
- where and when your pet was last seen

Sometimes animals can appear different in a photo to what they actually look like.

Microchipped and Registered animals, except livestock, are held for fourteen days and may be put up for adoption or euthanased if unclaimed.

Non-Microchipped Unregistered animals are also held for seven days and may be put up for adoption or euthanased if unclaimed.

Unclaimed livestock may be sold through an expression of interest process.
