Additional Info The Carcoar Show is described as the "Best little show in the country" and is held on the last Saturday in October each year. It gives visitors the experience of life on

the land plus, a great variety of stallholders and food venues. Experience the wonders of the pavilion with its, Photography, Home Products, Art and Craft, Flowers along with local school displays.

Roving entertainment all day including a whip crack display. EM Dance troupe will be there on the day to entertain us with their fabulous dance routines. There will be a Farmyard where the children can pet a variety of animals.

The Shearing and Wool Handling competition will be under way throughout the day with finals about 3pm. If you've not witnessed a sheep being shorn before you need to watch the quick shear. The speed that the fleece is shorn will amaze you. A display of the best wool fleeces in the district will give you an appreciation of what they look and feel like and then cast an eye over the entries in the Prime Lamb competition, from the best flocks in the district.

The Woodchop competition is very popular with a variety of events all day. The competitors make short work of the logs. In the ring witness the array of beautiful horses, especially the wonderful heavy horses, along with the log snipping and draft pulling displays. Not forgetting a farmer's best friend his dog we will be inviting them to achieve amazing heights on the Vertical Dog Jump. Incredible heights will be achieved on the day.

Enjoy a variety of vintage cars from Orange & District Antique Automobile Club, Cowra Antique Vehicle Club, Gnoo Blas Classic Car Club and Central West Jag Car Club.

There's always a good steak at the Show Society Kitchen and homemade sandwich or cake. Live Music sets the scene from lunchtime until the Bar closes about 6pm where you can enjoy local wine and beer and a yarn with the locals.

We haven't forgotten our visiting coffee connoisseurs. **Swift Coffee** van will be onsite serving up freshly brewed take away coffees. Choose from cap, latte, flat white, mocha, long black, espresso, chai (my fav), hot chocolate, dirty chai and more. Oh and a variety of milks - almond, soy, lactose free, full fat, less fat, not fat (Little Big Dairy).

The Deputy Premier, Paul Toole MP will officially open the newly refurbished Shearing Shed at 11.45 followed by the Official opening at 12 mid day by Michael Millner, RAS President. Many hours by the Show Society have gone into accomplishing this newly refurbished facility.
