Additional Info	<ul style="list-style-type: none"><li>BreastScreen NSW encourages all women aged 50-74 to have a potentially life-saving mammogram every 2 years</li></ul>

- 1 in 7 women will get breast cancer in their life time
- 9 out 10 women do not have a family history
- Encouragingly 98% will survive with early detection, and the best way to detect breast cancer is through having regular mammograms
- An appointment only takes 20 minutes every two years
- Mammograms with BreastScreen NSW are free
- You do not need a Doctors referral
- To make a booking call 13 20 50 or visit <https://book.breastscreen.nsw.gov.au/>
