Additional Info Who can receive a vaccine at this clinic?
- No bookings needed for first doses.
- Pfizer vaccine will be available for those aged 12 years and over.

- Anyone aged 12-15yrs - MUST BE accompanied by their parent, guardian or nominated carer.
- If seeking a second Pfizer dose, bring evidence of your first dose.
- We encourage students to take up this opportunity ahead of the return to face-to-face learning.
- Those attending will need to bring a form of identification and where able, their Medicare card.
- The queue may be long, so we encourage people to come prepared with food, drink, perhaps a portable chair, a hat & sunscreen.
- Second dose clinics will be scheduled.

People MUST NOT ATTEND the clinic if they:

- Are waiting on a COVID-19 test result (unless this was a surveillance test only and the person is not unwell).
- Are a CONFIRMED close contact of a CONFIRMED positive COVID-19 case.
- Are unwell. Anyone with COVID symptoms should get tested & isolate until they receive a negative test result.
- Have had ANY other vaccination (including flu) in the previous seven days.

Have mobility/accessibility difficulties & can't get to a clinic?
Phone 1800 684 523 & leave a message with your name, contact number & the town where the clinic is being held.
