Blayney Shire Settlement Strategy 2020

The purpose of the Blayney Shire Settlement Strategy (the 'Strategy') is to identify sufficient land to meet the short and medium-term housing needs generated by the changing demographic profile and population growth of the Blayney Shire, particularly within Blayney and Millthorpe.

In considering the opportunities for growth, the Strategy also looks at the opportunities available in the villages other than Blayney and Millthorpe, including:

- Carcoar
- Mandurama
- Lyndhurst
- Neville
- Newbridge
- Barry

The Strategy provides a framework for housing delivery which primarily will be implemented through changes to the Blayney Local
