Additional Info      Come and join us for an afternoon of untutored Life Drawing at The Odd Sock Gallery, Blayney. We warmly welcome all skill levels, even those who have not attended a Life Drawing class

before and wish to practice drawing the human figure.

This class will run for a duration of 2 hours, where by we will have a live model performing a variety of poses ranging from 2 minutes to 30 minutes, with a short break in the middle.

There will be easels available to use with A2 size boards and there will also be the option to sit at a table and chair for those who would like to be seated.

This event is BYO materials (paper and drawing materials). For new students who are unsure what to bring, we recommend butchers paper and charcoal as a great place to start. Pop in and see Bradley at The Odd Shop Gallery if you are in need of any guidance or materials. We also welcome students to bring other materials such as acrylic paints, pastels, pencils, and inks (please no oil paints - they are a bit too smelly!).

Please arrive 10-15 minutes early to set up for our 2pm start, where by the door will be locked to ensure complete privacy for our model.

If you have any questions, please reach out to Bradley at The Odd Sock Gallery or email Stephanie Cook at [artbystephanie2799@gmail.com](mailto:artbystephanie2799@gmail.com).

Please note, a minimum of 7 participants are required for this class to take place. In the event that these numbers are not met, the class will be postponed and a refund or credit will be available.

Minimum age requirement is 16, however participants under the age of 18 must be accompanied by an adult.

We hope to see you there!
