Looking for a loved one?

Blayney Shire Council has incorporated an Interactive Mapping tool to use to look up

Cemetery records, graves and associated information which is a useful tool in family history searches: BSCExternal > Cemetery (nsw.gov.au)

Another search option is the Australian Cemeteries Index website, it is an extensive

resource for family history researchers. It's emphasis is to provide quality images of

all inscriptions in each cemetery. http://austcemindex.com/
