

Development Coordinators

Council appoints Development Coordinators to source external grants and match funding guidelines to local projects for community organisations, volunteer groups, sporting, PA&H, Hall Trusts, cultural or charity clubs.

If you have a project and receive information about a grant it is recommended to seek assistance from your Development Coordinator. These people have been tasked to guide and help you work through the process of submitting a funding application and will help you with the wording and documentation process.

In addition, they will assist community organisations to coordinate tourism activities and promote local events.

Please use the support that has been made available to you by contacting your local Development Coordinator.

Email contact details for each are as follows;
