

Carcoar Village

Carcoar

Carcoar is one of Australia's gems.

Nestled in a small, sheltered valley through which wanders the Belubula River, Carcoar is the third oldest settlement west of the Blue Mountains. Although third, the village comes in first in terms of heritage, appeal, charm and tourist value.

Located just 7Kms south of Blayney on the Mid Western Hwy, Carcoar is a wealth of history and a must for visitors to the Blayney shire.
