# Neville Village

**Blayney**

## Neville

*T*ucked away in a quiet corner of Blayney shire, away from the highway traffic but retaining a proud sense of heritage and community spirit is Neville. Early records show the area had various names, including No One, No One Swamp, Macquarie Swamp, Leamington and later Mount Macquarie until November 24, 1888 the name was changed to Neville.

Neville is the closest Blayney Shire town to the popular natural wonderland at Abercrombie Caves.
