Committees of Council

Committees of Council play an important role in providing a mechanism for consultation, input and community engagement with residents, stakeholders and our various Town and Progress/Village Associations and this review seeks to support an effective and appropriate committee structure.

Committees have no budget, unless specified, nor any delegation of authority to make decisions or bind Council to any action. Upon considering a matter, advice is provided to Council via recommendations made and recorded in Committee Meeting Minutes and presented to Council for adoption or exclusion at the next available Council meeting.

Council Committee meetings are held in Council facilities after hours in most cases, and a member of the senior staff team provides the secretarial and administration support at no additional overtime cost to the organisation.

Councillors travel expenses in undertaking their duties, roles and responsibilities include representing Council are addressed in Councils [Payment of Expenses and Provisions of facilities to Mayors and Councillors Policy](#). Community representatives are volunteers and contribute without any reimbursement of travel or other meeting expenses.
